

MAKERLAB COVID-19 PROTOCOL

WHO GETS ACCESS?

Only students working on their final exam project and have been approved by their teacher have access to Makerlab. When approved book your machine and timeslot on Makerlabs website.

BOOKING

We have created new booking sheets to comply with safety regulations.

<https://kea-makerlab.github.io/hello/booking.html>

Opening hours

Makerlab opens with limited access from 4th June 2020

Makerlab: kl 9-16

Kea Pop Up and Store: kl 9-16 (ask Makerlab staff)

ENTER/EXIT

You enter Makerlab through main door and exit Makerlab through the big doors facing Material design lab

PROTOCOL

If you are exhibiting any flu-like symptoms, please do not enter Makerlab.

Enter Makerlab through the main door (in the passage) and use the sanitizer to disinfect your hands.

Respect the recommended distance of 1m to your fellow students and staff.

Before starting your work, disinfect the keyboard, mouse and machine itself (buttons), with the provided sanitizer.

When done clean up after you and finally disinfect the keyboard, mouse and machine, with the provided sanitizer.

Exit Makerlab through the big doors facing Material design lab.
